

Bulletin: 2020-Race-03

Date: June 19, 2020

To: All Race Licences & Race Officials

Subject: CACC Race Competition Regulations - Updates

This bulletin will add the following updated Regulations to the CACC Race Regulations published for 2019. These updates will be of immediate effect and continue until the updated version of the CACC 2020 Race Regulations are published:

Section 3.6 of the Race Regulations are amended to include the section in italics below:

3.6 Medical Responsibility

B All Race Licence applicants are required to pass a medical examination by a physician, and submit a report on the approved form so attesting as follows:

- At the time of an initial (first-time) licence application if no previous medical examination has been done, or a medical examination is due.
- Every five (5) years for applicants 16 to 35 years of age.
- Every two (2) years for applicants 36 to 59 years of age.
- Every year for applicants 60 years of age and older
- *For 2020, applicants renewing a 2019 race license may use their most recent medical examination*
- Every year Licence Applicants require a medical self-declaration.
- CACC reserves the right to request a medical examination by a physician from a licence applicant at any time.
